Dear Alistair,

**Leamington Spa & Warwick Gurdwara Sahib  
Tachbrook Park Drive, Leamington Spa**

A C Lloyd (Builders) Ltd. have just completed works on the construction of the new Gurdwara Temple in Leamington Spa. We were acting as quantity surveyor and employer's representative in approving valuations on behalf of the Temple Committee and their funder.

At a recent presentation on this contract I stated that the success of the project was due to a fantastic team effort including, in particular, your construction team.

My clients are delighted with the finished temple which is now one of Leamington's landmark buildings. The project was completely on programme and, most importantly for me, within budget.

Many congratulations and I look forward to working with your company again on a future scheme.

Yours sincerely,
